The 7th Annual Adirondack Wine & Food Festival

WRITTEN BY [KATE HAGGERTY](#) ON JUNE 22, 2023. POSTED IN [COMMUNITY](#), [FEATURED](#).

Looking for something to do this weekend? On Saturday, June 24th, and Sunday, June 25th, the Adirondack Wine & Food Festival will return to Lake George! This event is located at the Festival Commons in the Charles R. Wood park, located at 17 West Brook Road in Lake

George. The Charles R. Wood Park is 12.5 acres, and features a 2.5-acre festival space. This festival space was designed to host a variety of events, as an economic engine for the park and the region. The Adirondack Wine & Food Festival is one such event!

With admission, event-goers receive a commemorative wine glass for the event! They can use the commemorative wine glass to sample beverages before they buy them, and then take it home as a souvenir. This event will host 120 craft beverage and artisan food vendors, including, wineries, breweries, distilleries, artisanal food vendors, local crafts, and food trucks from the Adirondack region. Adirondack Winery and Warren County Tourism have teamed up to present this event with help from many generous sponsors!

Big Brothers Big Sisters of the Southern Adirondacks is the official Festival Beneficiary. Volunteers from their organization will be on hand to provide water to help visitors stay hydrated.
